TROOPS FOR STRIKE-BREAKING?

The following documents have come into our hands from a highly reliable source.

They are of such importance to the Labour and democratic movement of this country and the whole world that we cannot take the responsibility of concealing them.

This matter has to be probed to the bottom. We trust the Labour Party in Parliament will insist upon an inquiry. We trust the Parliamentary Committee of the Trades Union Congress and the Triple Alliance will to-day take special note of the reference to "strike-breaking." We trust the Trade Unions will act.

The subject is dealt with in our leading article to-day

(Form Number).

(1) I am directed to request that until further notice, you will furnish information on the headings hereunder as regards the troops in your Area, and that you will arrange for a report to reach this Office without fail not later than first post each Thursday morning.

Inst post each Inursuay morning.

(a) Will troops in various areas respond to orders for assistance to preserve the public peace;

(b) Will they assist in strike breaking;

(c) Will they parade for draft, as overseas, especially to Russia;

(d) What has been the effect of Army Order XIV. of 1919 on the men; do they consider the policy of dividing the Army into the classes of demobilisables and non-demobilisables a sound one, and, if so, do they think that the line of cleavage has been equitably fixed; is there any dissatisfaction with either the principles or the details of that order; and, if so, what are your recommendations?

(e) Any other information or suggestions.

(2) You will please give your own views for the information of the General Officer Comm

(3) You will, of course, understand that any material change in a situation and any cases of disorder or indisciple to be reported at once.
